2019-2020 BACK-TO-SCHOOL FUNDRAISER

We are so happy to have you with us and we're looking forward to another eventful year for Nootka School!

As you may know, the **Nootka Parent Advisory Council** (PAC) engages in fundraising efforts in order to cover the cost of curricular and extracurricular activities (classroom supplies, field trips, physical education, etc.).

In order to meet our funding needs, we hold an annual back-to-school fundraiser to help us continue to provide the services we have all come to expect while also avoiding other time-consuming, energy-draining and (let's be honest) annoying fundraising events.

In order to maintain our current level of programs, we need to raise **\$10,000 per year**. In order to meet this goal, we are asking families to donate **\$25 per student**.

If you cannot give the requested \$25 per student, please consider donating a smaller amount. If you can give more than \$25 per student, please consider donating a larger amount.

To donate to this fundraiser, please fill out the information below and deliver any funds to your child's teacher or the front office.
